Sunrise Wedding Villa Pricing

Determining the actual cost of your wedding is dependant on the size of your wedding, the length of your stay, and the time of year.

When booking Sunrise you pay to rent the villa, pay for meals, pay for a wedding package, and pay incidentals like alcohol, transfers, and tips

In order to give you some guide lines an outline of basic prices and booking conditions is set out below.

- **Villa Rental Rates** vary from \$1690-\$2600 per night. This price is for the **whole villa** irrespective of the number of guests and is dependant on the season.
- **Deluxe Meal Plan** is \$55.00 per person per day and includes the cost of the **Reception** and a **Rehearsal** Dinner if required. Discounted rates apply to children.
- **Wedding Package Price**, as detailed in page 2, is \$4950. This amount can be lowered in consultation with your wedding planner. There is an additional charge of \$60 for guests not staying on property who attend the ceremony, reception, and dinner.
- **Miscellaneous costs** you will need to take into account include the cost of alcoholic drinks, tips, and transfer costs to and from the villa from the airport.

As you may be aware Destination Wedding etiquette states that guests who accept your invitation are responsible for paying for their own transport, accommodation costs and meals other than the Reception and Rehearsal Dinner unless, of course, you are prepared to pay all, or part of, the costs involved.

As an example, a Spring or Fall Wedding at Sunrise Villa is likely to cost around \$20,000 for a 4 night stay or \$35,000 for a 7 night stay.

Our prices include all local taxes

We are always happy to discuss your requirements and provide you with a quotation based on your personal situation. There is **no obligation** nor will you be put under any pressure.

Why Choose Sunrise Wedding Villa

A good question; we appreciate that there are many venues available for Destination Weddings, not only here in the Dominican Republic but also world wide. Here are just some of the reasons why we believe we can make your wedding special, romantic and an unforgettable moment in your life that you will cherish forever.

- **EXPERIENCE:** Sunrise Wedding Villa has been hosting weddings for almost 10 years and has a dedicated, experienced, and fun staff. We have arranged weddings from the more formal affairs, to casual, barefoot on the beach. It is likely we have more wedding experience than virtually any villa in the Dominican republic
- **RESIDENT WEDDING PLANNER:** Our wedding planner is very experienced and is immediately on hand to help you plan your ceremony, reception, floral arrangements, wedding cake, photographer, video, color scheme, table plan and layout, etc. She will be liaising with you during the months prior to your wedding to ensure everything is just how **you** want it to be. The emphasis being that you are free to enjoy your wedding day knowing that every special item you wanted to include has been organised for you in advance.
- **CONCIERGE SERVICE:** Our villa manager and concierge will not only be at your service during your stay but will have made arrangements for any excursions or sightseeing you may wish to enjoy with your guests during your stay at the villa. It may be a round of golf, snorkelling, horseback riding, deep sea fishing, safari or any of the other activities which are available. These can be pre-planned or booked during your stay.
- **CATERING:** Your meal plan is chosen by you, in conjunction with your personal chef, prior to your arrival so every meal is what you want not what we decide to serve. Special dietary requirements are not a problem and special arrangements will be made for children's meals if appropriate. You will also be able to choose exactly what menu you desire for your reception dinner.
- **ACCOMMODATION:** As previously mentioned Sunrise Villa can accommodate up to 16 adult guests or 28 adults and children. If your wedding party will exceed these numbers don't worry. We have existing arrangements with other adjacent villas and a local hotel to house additional guests. However, please remember that guests attending the wedding ceremony and reception but not staying at the villa will be subject to a surcharge.
- **PEACE OF MIND:** Our managers will assist in every detail, from meal planning to transfers. Our philosophy is the Bride and Groom should have a fun filled stress free experience. Let us do **all** the worrying for you

Your Sunrise Villa Wedding Day

Your wedding day at Sunrise Villa will be as you and our staff has planned.

Many brides choose to hold their wedding ceremony later in the day, as it is cooler and can be followed by the Hors D'oeuvres and then the reception leading on to the entertainment you have requested in the evening.

Below we have outlined a typical wedding day but remember yours will be as you want it to be so many things could well be different.

The night before your wedding, you will be taken to our best local restaurant to have your rehearsal dinner. This is free to all Sunrise guests. (The bar tab is not included) The views from the restaurant are beautiful. There is a full bar and oftentimes live music.

If you have chosen an afternoon wedding ceremony you will be able to relax with your family and friends for much of the morning and even until after lunch. Your wedding planner will be on hand to oversee all the arrangements for the ceremony and reception as well as any special items you may have requested and to liaise with you regarding any final matters that may need your approval.

Possibly you and your future husband may decide to enjoy the refreshing massage included in the wedding package and then your hairdresser will arrive to style your hair. The photographer and video camera man will have arrived as will the florist with your bouquet, those for your bridesmaids and the men's boutonnieres as well as all the floral displays for the ceremony, the table decorations and throughout the villa. The villa staff will have decorated the location for your ceremony, either on the beach or in the garden, with a wedding arch or canopy or that of your choice.

If you need assistance to dress your wedding planner is there to help and as the time for the ceremony draws near your guests will begin to make their way to the decorated seating. Your fiancé and best man will join them and the Officiate of Ceremonies will also be in attendance. Now your moment has arrived as you walk down the aisle to join your future husband and make your vows in front of your guests.

After the ceremony your photographer will take those all important group photos as well as a varied selection of you and your husband together in the romantic settings found in the villa gardens or on the beach. Afterwards you and your new husband will join your guests for champagne and Hors D'oeuvres, served around the pool, as the villa staff put the final touches to your reception tables, set out as you have requested. Your chosen music or live musicians will entertain you throughout and when you are ready you can join your family and friends for the reception dinner.

Afterwards you can party on into the night to live music or a D.J. There is ample room on the adjoining terraces for dancing and the bar will be open for as long as you wish to help you and those closest to you to celebrate this wonderful and special moment in your life.

We couldn't have picked a more perfect location to begin our lives together. The surroundings and grounds are beautiful. Brides looking for a stress free and easy planning experience will love how easy the staff made everything. I never imagined everything could be as relaxed as it was, leaving us time to just enjoy our guests and time at **Sunrise Villa!** Our wedding and stay and Sunrise Villa surpassed all expectations!

Michelle & Tim, Summerfield, NC

I knew as I was in good hands and appreciate everything you did to make the wedding perfect!!! I love **Sunrise** and cannot wait to go back. Everyone there went out of their way to make everything perfect and it is sooo appreciated. There is not a thing I would have changed. Felix (the photographer) was incredible and I loved his work. The gentleman that sang, Amauris, was out of this world. And the fireworks — they were stunning. And my wedding planner, well — I could go on about her forever!!! Thank you for everything!

Sophia & Brian, Warren, NJ

We couldn't have asked for a more beautiful wedding! The flowers, food, friendly staff, beautiful ceremony, the cake, the meringue band ... everything was perfect! We couldn't have started married life in a better place. We will remember Sunrise Villa always and look forward to returning for future anniversaries! Muchas gracias!

Nikki & Kevin

We just got home today from spending 3 weeks in the Dominican Republic for our wedding at **Sunrise Villa**, and I can tell you that everything was absolutely fabulous!!! The staff, went above and beyond and shocked myself and all of our guests and the pictures on the Web site cannot even begin to show how wonderful this location is! The food was amazing and every one of our guests enjoyed their time.

I know that I made the right decision with **Sunrise Villa**, and if you are looking for a beautiful location away from all the tourists and want to be treated like a superstar (we kept waiting for the paparazzi to show up!) then go with Sunrise.

Caroline & Eric, British Columbia, Canada

Thank you so much for everything — it truly was the wedding of my dreams. We all experienced a huge come-down when we left the villa — so much excitement, fun and happiness. Leaving was hard!
